CONGRATULATIONS

MAY 2022

American Electrology Association *Annual Convention*

October 13 – 16, 2022
Las Vegas, Nevada

The AEA Annual Convention will be at the Tropicana Hotel in Las Vegas, Nevada from October 13 through October 16, 2022.

- Convention registration will be Thursday October 13, 7:30 AM-9:15 AM
- The AEA BOD Meeting will be Wednesday October 12, 2022, 9:30 AM
- The AEA Annual Membership Meeting will be Thursday October 13, 9:30 AM

AEA has reserved a block of rooms for its members. To reserve a room, call the Tropicana Las Vegas at 844-996-3737 and use the group code SAEA22.

Room rates Sunday-Thursday \$89.00 plus \$15.00 Resort fee and 13.38% tax per night

Room Rates Friday & Saturday. \$149.00 plus \$15.00 Resort fee 13.38% tax per night

Cutoff date for hotel reservations is Friday September 9, 2022.

Harry Reid International Airport is the airport in Las Vegas. For transportation to and from the airport, you may consider using the shuttle service. The cost is \$13.00 one way. You will make your reservations for the shuttle service to the hotel upon your arrival at the airport. Once you retrieve your luggage go to the shuttle booth and make your reservations for transportation to the hotel. The Shuttle buses run every 45 minutes.

Friendly Reminders

- If you attended the February TAPE Conference to earn CEUs, please check the AEA website and confirm that they have been recorded on your transcript. A member who is a CPE has six (6) months to file for CEUs after events like conferences and conventions. TAPE submitted information regarding the CEUs, but please verify that they have been recorded.
- Please check your information at electrology.com. Make sure it is current - name, address, telephone number etc.
- Please check your company information at the TAPE website, texaselectrology.com. Is it still current and correct?
- Some people are still sending the JOE answer sheets to the wrong address. **Please mail your answer sheets to Jaimee Bloom, 8110 SW Laurel Street, Portland, Oregon 97225.**

2023 TAPE Conference

The next TAPE conference will be **Saturday, February 25, 2023**. We polled members at the last conference about whether they preferred to meet in person or on Zoom. An overwhelming majority asked to meet on Zoom, so that is what the officers are planning to do. We hope to see you there.

coming
SOON

New TAPE website coming!

The officers of TAPE are working on a new website. Our goal is to increase awareness of what electrolysis is, send members more customers and to help promote our annual conference.

Every TAPE member will automatically have a listing. You will be able to upgrade your listing for a nominal fee. (This will help pay for the website.) You will be able to add information about your business and pictures.

We would like to know what information you would like to see on the website. Please drop us an email with your ideas!

tapebod@gmail.com

Have you heard about SCORE?

The Service Corps of Retired Executives offers free help to entrepreneurs (like us!) and small businesses. Through SCORE, you can find a mentor for your business.

SCORE also offers workshops and other services including a library full of information. If you would like to check out what SCORE has available, visit **score.org**
